

HOG MARKET HIGHER

Market Was Inactive Yesterday—Demand Strong.

TOP PRICE WAS \$5.00

Good Butcher Stock Wanted—Receipts Light

Business was exceedingly dull at the stock yards yesterday, Saturday is usually quite inactive but yesterday capped the climax for the smallness of the amount of business transacted.

There was an extraordinarily strong demand and when the market closed the packing house buyers complained that they did not have a sufficient number of hogs brought to run them. With all these indications so favorable the chances are that Monday and all of this coming week there will be a flush market.

Kansas City, St. Joseph and Chicago went up about 5 cents yesterday and Wichita jumped out of the mire and went up 10 cents higher. If the unexpected does not occur Monday there will be an awakening in the prices of hogs and the market will spread itself such as it has not done for months.

The buyers are very eager to get some fine stock and they are going to pay for what they get with good prices. The best judges consider that this week will be a stunner and it will be safe for stockmen to make their heaviest shipments during the week of the 13th. Good stockmen bring good money and there is no limit to the demand.

Hog Sales.

[By an arrangement between the packers and commission men, hogs arriving late in the night are fed, watered and weighed up on arrival and the next morning sold at the previous day's price. These hogs are quoted under the head of "early sales" and the fresh receipts, the sale of which is governed by the market for the day, which they are sold, are quoted under the head of "late sales".]

IN AND ABOUT THE STOCK YARDS.

Because Saturday was such an inactive day it is no indication that tomorrow will be equally so. The Wichita market has many peculiarities, one of which is that Saturday is as a rule a day practically flat for nothing in the stock yards. Every other day of the week is usually exciting and plenty of business is done.

C. P. Johnson accompanied William H. Hines, who is one of the big men among the big shippers, to Wichita, to Kingman, where the latter resides. These two old timers intend to have the time of their lives out there and when Mr. Johnson returns he will no doubt have many fond recollections of the trip.

Stefter and Blair, of Lyons, came in yesterday with a car load of hogs which sold at an extra price.

Don't afford to get much of a fever of that stuff called poetry but he is a great admirer of old war ditties and rhymes with a purpose. The other day he recited some verses, the chief substance of which was "Keep a pullin'" and he persuaded every man on the premises to read them.

Donaway and crew shipped in two loads of hogs from Towanda, O. T., yesterday and received a first class price for them.

Townsend and Lamson, of Andale, were on the market yesterday with hogs.

W. M. Pugh, of the stock yards, is a candidate on the Republican ticket for councilman in the fourth ward. There is one thing that can truly be said of Pugh, as he is an extremely called about the yards, and that is he has not an enemy among those with whom he has business dealings. The stock yard crowd all join in to wish their honest March an overwhelming success at the polls at the coming city election.

Local Grain and Produce Market.

Below find sales as made yesterday by sample on the Wichita Board of Trade basis, delivered Missouri river. To get price of a bushel of wheat, deduct Kansas City rate from local rate. To get price of a bushel of corn, deduct Kansas City rate from local rate. To get price of a bushel of oats, deduct Kansas City rate from local rate. To get price of a bushel of barley, deduct Kansas City rate from local rate. To get price of a bushel of rye, deduct Kansas City rate from local rate. To get price of a bushel of clover, deduct Kansas City rate from local rate. To get price of a bushel of alfalfa, deduct Kansas City rate from local rate. To get price of a bushel of timothy, deduct Kansas City rate from local rate. To get price of a bushel of hay, deduct Kansas City rate from local rate. To get price of a bushel of straw, deduct Kansas City rate from local rate. To get price of a bushel of chaff, deduct Kansas City rate from local rate. To get price of a bushel of screenings, deduct Kansas City rate from local rate. To get price of a bushel of bran, deduct Kansas City rate from local rate. To get price of a bushel of middlings, deduct Kansas City rate from local rate. To get price of a bushel of shorts, deduct Kansas City rate from local rate.
